11 January 2026 at 10:22

Dear All,

As all of us are aware that the availability of Chinese Manjha has been creating safety issues especially for the two wheeler riders.

Though the sale and usage of the same has been banned but still there are quantities sold/used at various locations. There are frequent news items wherein there has been FIRs against the individual using/selling. We were informed and the security team removed Chinese Manja which was found on a tree probably due to the kite which might have been cut while flying nearby area outside the campus.

In the interest of our own safety, following precaution may be taken: -

- 1. While walking on the approach roads and on campus roads, if any such manjha is noticed, kindly inform CCTV Control Room at 3117 or at 9589518290, for necessary by the security team.**
- 2. While driving a two wheeler, very slow speed is advisable.**
- 3. Please wear something like muflar or other cloth around your neck while driving a two wheeler, as the neck is the worst affected place if a two wheeler rider is obstructed by the manjha.**

शुभकामनाओं सहित, *With Sincere Regards,*

रमाकान्त कौशिक *Ramakant Kaushik*

मुख्य सुरक्षा अधिकारी *Chief Security Officer*
