Dear All,

Please note that showing up of identity card is a must at the gates for entry to the campus. Of late it has been observed that the community members are reluctant to show up the identity cards. It has been assessed that there is a presumption that the security staff deployed at the gate recognises all of us, which is not possible in view of the community being grown to a considerable extent in numbers.

Showing up the identity card should be taken as a pride instead of unreasonable security requirement.

The provision of showing up the id cards on the campus is effective from Sept 15, 2014 (please visit the security website at safety.iiti.ac.in under Alert & Notice tab), moreover the proper checks of the id cards keeps our premises more secured with regard of unauthorised entry to the campus.

Your kind cooperation will have our campus more safe and will rule out for any type of infiltration.

All are requested to cooperate security team for the same.

शुभकामनाओं सहित, *With Sincere Regards,*
