Dear All,

As many of us might be aware the trend of digital arrest in India has also started.

The criminals pose as Crime Branch Officials or some service provider like TRAI or courier company. They will inform that some crime has been done through a mobile issued in your name. They may give you details of some case even, and warn you that your mobile will be closed for the same, else they may ask you to pay off some amount.

Please do not respond to such calls, the offenders will call you from different number. Whenever you have a doubt, please switch off you mobile and relax for some time and take decision to call police crime branch at 1930 or 155206 and share the details of the phone numbers of the caller with police for their action.

In case the call do not mature, please feel free to go to the Crime Cell personally at the Police office at Regal Square.

शुभकामनाओं सहित, *With Sincere Regards,*
